

Effective lead generation ways at online virtual event!

What is the ITmedia Virtual EXPO Fall?

ITmedia Virtual EXPO Fall is an online virtual event focusing on the latest movements of whole spectrum of electronics / mechanical / building industries. The expo includes keynote speech webcasts, virtual booths and sponsor presentations, contests and more, and is the very first and largest of this kind as virtual expo in Japan.

In the virtual expo, the opportunity will be provided to the audience to access industry experts and technology providers via keynote speeches, webinars, technical papers and other online content.

What contents can sponsors exhibit in the virtual booth?

- Company logo
- Welcome movie

- ① Highlight
 - ② Inquiry
 - ③ Assets (White paper/brochures)
 - ④ Mini Survey & Giveaway
 - ⑤ Webcast
- Gold/Platinum/Diamond sponsors only

Hosted and promoted by:

Total PV: 5,259,559
 UB: 1,967,133
 supporting the 5 Engineering Media
 (As of March 2022)
